PLANNING
CENTERSM

A division of
IOWA STUDENT LOAN[®]

PRESENTING OUR SERVICES:

The Iowa Student Loan College Planning Center's mission is to help individuals attain their educational and career goals. Visit our West Des Moines office for **FREE** information, assistance, counseling and support for our diverse population of students and their families as they plan for their education and apply for financial aid.

We also support community organizations, employers and high school counselors that are helping individuals prepare for college.

The Center is staffed with highly competent individuals who have expertise in college student services. The services provided by the CPC are **FREE**. We now have two fully bilingual outreach representatives to better serve the community in English and Spanish!

As we work with our community, I am interested in knowing more about your organization such as what services you provide, what ways the CPC can help you and in what ways we can be involved.

I look forward to hearing back from you.

Best regards,

Juan M. García
